

Iron County Register

IRONTON, Mo. - AUG. 11, 1910.

E. D. AKE, EDITOR.

VOLUME XLIV. NUMBER 9.

ED. DEARING ought to be mighty proud of the way he ran in Iron county. With three opponents in the field and less than six hundred votes cast in the county he has a plurality of 243.

THERE is a moral to be learned in the result of the contest for the nomination for circuit judge in this circuit. It is this: when a man gets bigger than his party he is "down and out." And so he ought to be.

THE "insurgents" in Kansas last week knocked the stuffing out of the "regulars," metaphorically speaking. What the result in November is uncertain; but the primaries show that a good many people have quit hurrahing and gone to thinking. And there's comfort in that.

THE Post-Dispatch, without having a good word for any other Democrat, is devoting its columns to sarcastic flings at David R. Francis and his supporters. I would like to know the moving spring at the bottom of its animus. Not that it much matters; but when anybody throws a dollop of mud at some other body, the query, "why did he do it?" naturally follows.

IOWA Republicans, in State convention assembled, have endorsed the insurgency of their Senators Dolliver and Cummins. The stand-patters there were resolved into stand-from-under. Well, it seems to me, that Cannonism and Aldrichism in such heroic doses as lately administered ought to upset the digestive organs of anything less impervious than those of a brass monkey. But I don't count too much on the present upheaval—it may be only a temporary retching.

WESTERN PACIFIC SERVICE.

Through Trains on New Gould Line Will Run on August 22d.

The Gould Western Pacific will inaugurate through passenger service from Salt Lake City, and, in connection with the Denver and Rio Grande, from Denver and Pueblo, to San Francisco on August 22d. This announcement was received in a telegram sent by E. L. Lomax, passenger traffic manager of the new line, to C. L. Stone, passenger traffic manager of the Missouri Pacific-Iron Mountain.

The schedule adopted for the present provides for train No. 4, east bound, to leave San Francisco at 6 p. m., arriving at Salt Lake City at 8 o'clock on the second morning following.

Train No. 3, west bound, will leave Salt Lake City at 11:30 p. m., arriving at San Francisco at noon of the second day following. Equipment will include standard Pullman and tourist sleeping cars between San Francisco, Salt Lake City and Denver, connecting with the Missouri Pacific trains at Pueblo, and dining cars and day coaches are included in the regular train equipment.

Two features of the Western Pacific will be its library-club cars and the fact that every passenger car it owns will be of steel throughout.

Regular daily service will be inaugurated on the new road on August 22d, between San Francisco and Oroville, Cal., also.

SCHOOL FUND MORTGAGE SALE.

Whereas J. D. Brewington and Martha E. Brewington, his wife, by their certain School Fund Mortgage Deed, dated the 25th day of March, 1908, which said mortgage deed was duly recorded in the office of the Recorder of Deeds for Iron County, Missouri, in Book 38, at page 238 of said book, conveyed to Iron County, Missouri, for the use and benefit of the Capital School Fund of said county (herein more particularly described and set forth) the following described real estate, lying and being in said Iron County, State of Missouri, described as follows, to wit:

The southwest quarter of the southeast quarter of section 25, township 31, north, of range four east, except one-half acre reserved off the northeast corner of the above land; also, the north half of the

southeast quarter of section 25, township 31, north, of range four east, excepting so much of said tract of land heretofore deeded by James Vaughn and wife to W. N. Davis, by deed dated August 30th, 1870; also so much of the northwest quarter of the southeast quarter as is contained in the following description: beginning at a walnut tree six inches in diameter, near the mouth of a lane, running from thence in a northwesterly direction to the northeast quarter of the southwest quarter of section 25, township 31, range four east, containing seventy acres, more or less; also, the east half of the southeast quarter of the southwest quarter of section 25, township 31, range four east.

Which conveyance was made to secure the payment of four hundred and twenty-five dollars belonging to the Capital School Fund of said county, as follows to wit: To the Public School Fund of Township 31, range 4 east, \$100; To the Public School Fund of Township 32, range 4 east, \$100; To the Public School Fund of Township 33, range 4 east, \$200; To the Public School Fund of Township 34, range 4 east, \$25.

For which said amount the said J. D. Brewington, as principal, with D. H. Stevenson, W. C. King and Henry King, as securities, executed their bond for the sum of \$425, of even date with said mortgage, bearing interest at the rate of five per cent. per annum from date, bearing date the 25th day of March, 1908, and payable on the 25th day of March, 1909, which said bond has become and remains unpaid.

And, whereas, among other things, it is provided in said deed of mortgage that if default should be made in the payment of the principal or interest, or any part thereof, at the time when the same should severally become due and payable according to the tenor and effect of said bond, that the then acting Sheriff of Iron County, Missouri, should have power, without suit on said deed of mortgage, to proceed and sell said property conveyed and mortgaged in said deed; And, whereas, default has been made in the payment of said bond in said deed of mortgage described, by both principal and securities;

Now, therefore, in accordance with the provisions of said deed of mortgage, and in obedience to an order of the Honorable County Court of Iron County, Missouri, made at the August term, 1910, I, John T. Marshall, Sheriff of said County of Iron, State of Missouri, will, on

Saturday, the 3d day of September, 1910, at the east front door of the courthouse, in the City of Ironton, Iron County, Missouri, between the hours of nine o'clock in the forenoon and five o'clock in the afternoon of the day, sell, at public vendue, to the highest bidder, for cash in hand, the above described real estate, to satisfy said bond and mortgage, and the costs hereon.
